**T**he Country School Association of America was established at Northern Illinois University, Dekalb, Illinois, in June of 2006. The mission of the CSAA is to foster a deeper understanding and appreciation of the country school experience.

**A**n annual conference brings together individuals (museum staff, volunteers, teachers/faculty/students, preservationists, historians, and interested citizens) to exchange ideas and resources. A listserv devoted to country schooling had been developed to facilitate networking.

**T**he CSAA awards an annual prize to the outstanding paper/publication on some aspect of country schools. A grant program encourages the preservation of country school buildings for educational purposes.
